**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my home and business. And I have chosen a competitive provider. I live 'outside of town' and my choice is very limited - and having a local broadband provider has been a Godsend.

Without them I would not have a choice but to either (1) have no internet service or (2) have to go with one of two huge corporations which I choose not to support.

You must allow the broadband infrastructure to be competitive, and keep net neutrality in place.

Support the people and the ability to have a choice.

Thank you,
Rose Cohen
